SCAN ME

InstaCheck™

Counterfeit Detector with Infrared Technology

- Quick and conclusive:
  Confirm a bill's authenticity in less than a second with a clear "Pass" or "Fail" indication.
- Advanced counterfeit detection:
  Scans money and cross-references a comprehensive database of infrared, magnetic and ultraviolet markings to confirm authenticity.
- Compact and lightweight, the InstaCheck™ will fit anywhere the authenticity of cash may need to be verified.
- Backed by a one-year warranty and a helpful, US-based support team.
- The most affordable counterfeit detection solution offered by America's #1 brand in cash handling– Cassida!
